Identification Number: C00307405

Reference: Amended 12 Day Pre-General Report (10/1/00-10/18/00), dated 12/12/00

Dear Ms. Mattoon:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule B of your report (pertinent portion(s) attached) discloses a contribution(s) which appears to exceed the limits set forth in the Act. 2 U.S.C. §441a(a) precludes a multicandidate committee and its affiliates from making a contribution to a candidate for federal office in excess of \$5,000 per election.

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If you have made an excessive contribution, you should notify the recipient and request a refund of the amount in excess of \$5,000 and/or notify the recipient in writing of your redesignation of the contribution. In the best interest of your committee, all refunds and redesignations should be made within sixty days of the treasurer's receipt of the contribution(s).

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of the refund or redesignation request sent to the recipient committee(s). In addition, any refunds should be disclosed on Schedule A supporting Line 16 of the report covering the period during which they are received. Any redesignations should be disclosed as memo entries on Schedule B supporting Line 23 of the report covering the period during which the redesignation is made. 11 CFR §110.1(b)

Although the Commission may take further legal action regarding the excessive contribution(s), your prompt action in obtaining a refund and/or redesignating the contribution(s) will be taken into consideration.

-The beginning cash balance of this report should equal the ending balance of your Amended October Monthly Report, dated 2/13/01. Please clarify this discrepancy and amend any subsequent report(s) that may be affected by this correction.

-The totals listed on Lines 11(a)(ii), 11(a)(iii), 11(c), 21(a)(i), 21(a)(ii), 21(c), 30 and 31, Column B of the Detailed Summary Page(s) appear to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct Column B totals. Please amend your report and any subsequent reports that may be affected by this correction.

-Itemized disbursements must include a brief statement or description of why the disbursements were made. Please amend Schedule(s) H4 of your report to clarify the following description(s): "Administrative/Consulting Services". For further guidance regarding acceptable purposes of disbursements, please refer to 11 CFR §104.3(b)(3).

-Your EVENT YEAR-TO-DATE calculations for Administrative/Voter Drive are incorrect. EVENT YEAR-TO-DATE totals for administrative and voter drive costs are derived by aggregating all disbursements during the calendar year for the whole Administrative/Voter Drive category. EVENT YEAR-TO-DATE totals for fundraising, direct candidate support, and exempt activities are derived by aggregating all disbursements during the calendar year within a specific event. These should be calculated by adding the latest disbursement for a category or event to the previous EVENT YEAR-TO-DATE total for that category or event. This running EVENT YEAR-TO-DATE total should be disclosed after each disbursement is listed. Please amend your report by providing the correct EVENT YEAR-TO-DATE totals.

-Your committee reports disbursements on Schedule B and Schedule H4 which appear to be identical. Please note that any activity which is financed entirely by the federal account should be reported on Schedule B supporting Line 21(b), not Schedule H4 supporting Line 21(a)(i). Likewise, any allocable expenses which are paid jointly should only be disclosed on

Schedule H4 supporting Line 21(a)(i), not Schedule B supporting Line 21(b). Duplication in reporting disbursements may cause inflated disbursement totals. Please amend your report to clarify your disbursements. 11 CFR §106.5

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.

the 1990s, the number of people with a mental health problem has increased by 50% (Mental Health Foundation 1999). The prevalence of mental health problems has increased in all age groups, but the increase has been most marked in the young (Mental Health Foundation 1999).

There is a growing awareness of the need to address the mental health needs of young people (Mental Health Foundation 1999). The National Health Service (NHS) has a responsibility to provide services for young people with mental health problems, and the Department of Health has set out a strategy for the NHS to meet this need (Department of Health 1999). The strategy is based on the principle of 'early intervention', and aims to prevent mental health problems from becoming more serious.
